4G LTE

belle®

go with confidence!

mobile med  
system

*Belle® is a small, easy to use mobile medical alert pendant that offers you confidence to live life on your terms.*

*It is certified on the Verizon 4G LTE network, so you can easily get help at home or away from home with the press of a button, across the US.*

## Here's how it works...

### **speak-**

With this powerful speaker, it's easy to hear the specialist answer your call.

### **call but-**

Just press one button to speak with a specialist and get help. It's that simple.

### **circular**

The light around the button lets you know when a call is in progress and when the pendant needs to be charged.

### **mi-**

A powerful microphone allows you to speak with a kind, courteous specialist. They can send emergency help or contact a loved one to assist.
